

Queen's College Parents-Teachers' Association

6th December, 2017

Dear Parents,

To enjoy a break before entering the 2nd term, we are organizing a Hiking BBQ Fun Day to bring the entire school community together to meet, exercise, mingle and have fun.

We will first hike in the morning starting near the Garden Road Peak Tram Lower Terminus, and hike uphill along Magazine Gap Road and Old Peak Road to the Peak, we will then head south along Pok Fu Lam Reservoir Road, downhill, to the Pok Fu Lam Jockey Club PHAB campsite. Along the nature trails, hikers are greeted by lush tropical forests and extensive birdlife. The nature trails winding through mountainous landscape are both visually exciting, and easy but challenging for novice hikers. The hiking takes about 2 hours for the 6km of trails. Those who have enrolled in day camp BBQ can enjoy BBQ, archery, sport games, and self-financed activities such as IPSC indoor airgun shooting (BB bullets) and outdoor Rock Climbing Wall at the campsite.
